

Diploma in Physical Activity and Exercise Medicine Plan

22.02.2022

Aims:

Develop a FSEM Diploma in Physical Activity and Exercise Medicine. Set the standards for Exercise Medicine in UK.

This would be a pay for exam ran online with SBA question style. The examination could have global reach and be available worldwide.

Draw on experience within Faculty of developing the FSEM Diploma in Musculoskeletal Medicine

Target audience:

Healthcare professionals with an interest in accrediting their Physical Activity and Exercise Medicine credentials.

Successful candidates would gain FSEM Diplomate membership

Proposed Timeline:

March 2022:	Establishment of working group, agree plan
Spring 2022:	Develop Curriculum
Autumn 2022 / early 2023:	Question writing session(s)
2023:	Sign off & marketing

Working Group members:

Dr Christopher Speers
Dr Natasha Jones
