

FACULTY OF SPORT AND EXERCISE MEDICINE UK

Diploma in Musculoskeletal Medicine (DipMSK) Examination

**Regulations
with effect from October 2023**

Examination Department
Faculty of Sport and
Exercise Medicine UK
1a Hill Square
EDINBURGH
EH8 9DR

PURPOSE OF THE EXAMINATION

This Diploma in Musculoskeletal Medicine (DipMSK) examination is intended to assess knowledge and clinical application of musculoskeletal medicine, especially for primary care practitioners working in community care. The exam is an assessment of knowledge and clinical problem-solving and is relevant to current UK practice in primary care. It does not however act as a pitch side or stand-alone qualification to allow you to practice as a clinician or Allied Health Professional in Sport and Exercise Medicine (SEM), as MSK is only one part of a very wide curriculum.

EXAMINATION FORMAT

The examination consists of one written paper of Multiple Choice Questions consisting of single best answer (SBA) questions. The paper contains 180 questions and is 180 mins in duration, and a 15-minute comfort break will be provided after 90 minutes.

The examination will be conducted in English and will be based around UK clinical practice and national guidelines.

The pass mark for the examination is pre-set using modern standard setting methods. To achieve a pass, candidates must meet or exceed the pass mark set for the paper.

ENTRY REQUIREMENTS

The following candidates will be eligible to sit this examination:

Doctors with a primary medical qualification suitable for registration with the General Medical Council or Irish Medical Council, and who comply with all other requirements of the regulations.

Physiotherapists and other Allied Health Professionals registered with the Health and Care Professions Council (HCPC).

Nurse Practitioners (or equivalent), registered with the Nursing and Midwifery Council (NMC) with experience in Exercise Medicine delivery.

International healthcare professionals registered with their relevant international organisation.

Other candidates are considered on an individual basis at the discretion of the Faculty upon submission of supplementary information (e.g. letter from their employer, notary of certificate of registration).

Candidates for the examination are strongly advised to have the following:

- an active interest in Musculoskeletal Medicine;
- experience in managing MSK presentations in primary and community care

Candidates who have queries regarding their eligibility are advised to contact exams@fsem.ac.uk for further guidance before submitting their application to the Faculty.

Number of Attempts

Candidates are permitted a maximum of six attempts at the DipMSK. A continuous record of exam attempts is kept in line with GMC recommendations; if prior attempts with previous providers were made these will contribute towards your attempts.

TIMING

The DipMSK examination will be held online; all candidates will sit the examination on the same date and at the same time, and examination timings are stated in the UK time zone.

ADMISSION TO THE EXAMINATION

The DipMSK Examination will normally be held once each year, unless otherwise stated. The dates of the examinations and the fees payable for admission to the examination are set out online on the Faculty of Sport and Exercise Medicine UK's website: www.fsem.ac.uk

Application for entry to the examination must:

- be made on the appropriate (electronic) application form on the Faculty website;
- be accompanied by all required supporting information (e.g. photographic ID);
- be accompanied by the specific examination fee payment, which must be received in full by the Faculty before a candidate is entered for the examination;
- reach the examinations Department of the Faculty by the date specified online

Candidates who are unable to demonstrate fulfilment of the eligibility criteria may receive a refund of the fee paid (less an administrative fee of 20%).

Applications received after the closing date may not be processed. The Faculty reserves the right to review admission to the examination on an individual basis in exceptional circumstances.

RESULTS

Candidates will be notified by the Faculty when examinations results are available no later than six weeks after sitting the examination. Results will be uploaded at www.fsem.ac.uk and certificates are posted to successful candidates. A resit diet is not offered in case of a failed examination.

FEEDBACK

Candidates will receive their overall marks for the examination.

PROOF OF IDENTITY AT THE EXAMINATION

Each candidate must bring their passport to the examination. Exceptionally, a candidate who is not in a position to provide a passport must produce an official document that includes their name, signature and a current photograph. (For example, a current driving license if it includes a photograph and signature). Identification must be valid and in date. Proof of identity is an essential element of the examination. The Faculty reserves the right to refuse to examine any candidate whose identity is uncertain.

For the purposes of visual identification, any candidate sitting any part of the examination may be required to remove any clothing and/or other item which covers all, or part of, the candidate's face. The Faculty will observe sensitivity, and in specific circumstances privacy in the visual identification of candidates.

The remote invigilators of the Faculty's exam provider TestReach will ask candidates to hold for a screenshot photograph prior to exam admission to validate candidate identity as part of their validation procedure.

WITHDRAWAL FROM THE EXAMINATION

Any candidate who wishes to withdraw an application for admission to an examination must submit a request to the Faculty via email by contacting exams@fsem.ac.uk. A refund of the fee paid may be made (less an administrative fee of 20%), provided that notice of an intention to withdraw is received by the Examinations Department before the closing date by which applications are due, as shown on the Faculty's website. Refunds are not normally made to any candidate who withdraws after the closing date.

Any candidate who wishes to withdraw an application for admission to the examination on medical grounds and request a refund must submit a request to the Faculty via email by contacting exams@fsem.ac.uk, accompanied by a medical certificate. An application for consideration of a refund on compassionate grounds should be supported appropriate evidence. Each such withdrawal application, including supporting evidence, must be submitted to the Examinations Department who will review the application on an individual basis.

REASONABLE ADJUSTMENTS

Any candidate who has a condition that they believe could affect their performance in an examination may be entitled to reasonable adjustments to the conduct of the exam in mitigation of their condition. It is the responsibility of the candidate to notify the Examinations Department when they submit their application if they are seeking special consideration. Applications for special consideration must be supported by written evidence in the form of an original medical documentation. An educational psychologist's report is required for requests relating to dyslexia.

INFRINGEMENT OF THE REGULATIONS

The Faculty may refuse to admit the candidate to the examination or proceed with the examination of any candidate who infringes any of the regulations or is considered by the examiners to be guilty of behaviour prejudicial to the proper management and conduct of the examination. Examples of such infringement are as follows:

Entry to the examination being attempted by making false claims about eligibility or falsifying entry documentation. The Faculty reserves the right to make checks to validate any information or documents supplied by the candidate;

Unfair advantage being sought or obtained; by possession of material or devices during an examination that might give advantage; by plagiarism of any description; by communicating or attempting to communicate with another candidate once the examination has commenced; or by

refusing to follow instructions given by examiners or examinations staff regarding the conduct and procedure of the examination;

Removal of or an attempt to remove from the examination room or screenshot in the virtual examination environment, any confidential examination material;

Any attempt to obtain confidential information relating to the examination from an examiner or examination officials;

Passing confidential information on the content of the examination to a third party.

This list is not exhaustive. These guidelines can be obtained from the Faculty website at:

www.fsem.ac.uk.

These regulations should be read in conjunction with the Candidate Protocol Document dated 1st October 2023. Candidates must adhere to the candidate protocol and any further instructions provided by TestReach and its remote invigilators. The Candidate Protocol can be accessed on the Faculty website at www.fsem.ac.uk and will be emailed to each candidate after successful eligibility and ID checks by the Faculty's Examination Department and upon examination enrolment.

If a candidate is found to have acted improperly, they will be referred to their Regulatory Body (e.g. GMC, NMC, HCPC...) or National Authority.

NOTIFICATION OF PREGNANCY AND DEFERRAL

A deferral may be permitted to candidates supplying an appropriate medical report, which satisfies the Faculty indicating:

the candidate has any pregnancy related problems or illness and/or;

the candidate's confinement is due shortly before or around the date of the examination and/or;

the candidate has sufficient discomfort for them to consider that it will have a detrimental effect on their performance.

In such circumstances, should any such candidate be unable to sit for the examination, a deferral will be permitted. If an examination is deferred, the examination fee paid by the candidate will be transferred to the next scheduled examination diet. The candidate is permitted to sit the deferred examination when payment of the annual increase in examination fee is received by the Faculty.

Any candidate who does not inform the Examinations Department of the Faculty of their pregnancy and is consequently unable to sit for that examination will not normally be allowed to defer this examination without submission of another full examination fee.
